

**Get to know the Threshold Foundation
grantees from 2018 and 2019**

Climate Strategies

2019 Total Grants: \$135,908

Biofuelwatch (fiscal sponsor: Global Justice Ecology Project)

General Support \$12,356

Biofuelwatch provides information, advocacy and campaigning in relation to the climate, environmental, human rights and public health impacts of large-scale industrial bioenergy. They are a small team of staff and volunteers based in the UK and US. Biofuelwatch aims to advance the education of the public about the environmental, climate, social and public health impacts of different types of large-scale bioenergy as well as bio-based products.

International | <https://www.biofuelwatch.org.uk/>

CEJA Action (fiscal sponsor: Tides Advocacy)

General Support \$12,356

The California Environmental Justice Alliance (CEJA) Action is a statewide, community-led alliance that works to achieve environmental justice by advancing policy solutions. They unite the powerful local organizing of our members in the communities most impacted by environmental hazards – low-income communities and communities of color – to create comprehensive opportunities for

change at a statewide level. CEJA also builds the power of communities across California to create policies that will alleviate poverty and pollution.

Oakland, CA | <https://caleja.org/>

Center for Sustainable Economy

General Support **\$12,355**

Center for Sustainable Economy straddles the divide between a think tank and a do tank. They conduct peer-reviewed research on the full range of sustainable development challenges humanity faces, including climate change, deforestation, extinction, inequality and poverty, and also develop innovative solutions such as new measures of progress and new policies to expedite the transition to renewable energy.

West Linn, OR | <https://sustainable-economy.org/>

Center for International Environmental Law

General Support **\$12,355**

Since 1989, the Center for International Environmental Law (CIEL) has used the power of law to protect the environment, promote human rights, and ensure a just and sustainable society. CIEL seeks a world where the law reflects the interconnection between humans and the environment,

respects the limits of the planet, protects the dignity and equality of each person, and encourages all of earth's inhabitants to live in balance with each other.

Washington, DC | <https://www.ciel.org/>

Gaia Amazonas (fiscal sponsor: Nature and Culture International)

General Support **\$12,355**

Gaia Amazonas seeks to protect the Amazon hand in hand with the indigenous communities. Their vision is a safeguarded and resilient Amazon with innovative solutions and strategies of conservation, and environmental welfare paradigms, which are the result of dialogue and action between the Indigenous and non-indigenous knowledge systems.

International | <https://www.gaiaamazonas.org/>

Louisiana Bucket Brigade

General Support **\$12,355**

Founded in 2000, the Louisiana Bucket Brigade is a nonprofit environmental health and justice organization based in Louisiana. The organization works with communities neighboring state oil refineries and chemical plants to address air quality issues. Their mission is to support communities' use of grassroots action to create informed, sustainable neighborhoods free from industrial pollution.

New Orleans, LA | <https://www.facebook.com/labucketbrigade/>

Ohio Valley Environmental Coalition (OVEC)

General Support **\$12,355**

The Ohio Valley Environmental Coalition, formed in 1987, is an organization whose mission is to organize and maintain a diverse grassroots organization dedicated to the improvement and preservation of the environment and communities through education, grassroots organizing and coalition building, leadership development, strategic litigation and media outreach. Their work encompasses much of West Virginia.

Huntington, WV | <https://ohvec.org/>

Our Climate Education Fund

General Support **\$12,356**

Our Climate mobilizes and empowers young people to educate the public and elected officials about science-based, equitable climate policy solutions that build a livable world. They connect with young people in person and online, provide trainings on grassroots organizing and climate policy, and offer opportunities to directly and creatively connect with lawmakers and movement-building coalitions.

Seattle, WA | <https://www.ourclimate.us/>

Stand.earth

General Support **\$12,355**

Stand.earth is a grassroots environmental organization founded in 2000. The organization protects endangered forests by transforming corporate policy and governmental laws in the United States and Canada. Stand.earth uses public education, advocacy, protest, negotiation and non-violent direct action tactics to achieve its goals.

San Francisco, CA | <https://www.stand.earth/>

Texas Environmental Justice Advocacy Services (TEJAS)

General Support **\$12,355**

Texas Environmental Justice Advocacy Services is dedicated to providing community members with the tools necessary to create sustainable, environmentally healthy communities by educating individuals on health concerns and implications arising from environmental pollution, empowering individuals with an understanding of applicable environmental laws and regulations and promoting their enforcement, and offering community building skills and resources for effective community action and greater public participation.

Houston, TX | <http://tejasbarrios.org/>

Upstream Policy Institute

General Support **\$12,355**

Upstream Policy Institute is a non-profit sparking innovative solutions to plastic pollution. They help businesses to innovate out of single-use to reuse and engage customers around why it matters, as well as helping community leaders pass reuse ordinances that make sit-down dining disposable free and pave the way for reusable to-go.

Damariscotta, ME | <https://www.upstreamsolutions.org/>

High Impact Documentaries

2019 Total Grants: \$135,000

40 Days and 40 Nights

\$10,000

“40 Days and 40 Nights,” tells the story of a bold new social movement to end poverty in the United States, led by Reverend William J. Barber. A pastor from a small town in North Carolina, Reverend Barber, has been praised as “the most important progressive political leader in generations.” After the success of the Moral Monday protests, Reverend Barber - inspired by Martin Luther King Jr.’s 1968 Poor People’s Campaign - joined other clergies to launch a national movement led by poor and working people.

<https://goodpitch.org/films/40-days-40-nights>

Disclosure

\$15,000

Disclosure: Trans Lives on Screen is a 2020 American documentary film, directed and produced by Sam Feder. The film follows an in-depth look at Hollywood's depiction of transgender people and the impact of their stories on transgender lives and American culture.

Future Advancement of Children & Education (FACE)

2019 Total Grants: \$133,000

Amala Foundation

General Support \$20,000

Since 2001, Amala has been building a healthy and diverse community by focusing on a culture of belonging. Amala offers social-emotional learning (SEL) programs that bring together children and teens from diverse cultural, racial, and socioeconomic backgrounds. For adults, Amala offers professional workshops and trainings, yoga, and mindfulness classes. Their youth programs offer students a unique blend of mindfulness, movement, and sharing circles to help them learn to navigate the challenges of adolescence, connect with peers from different neighborhoods and backgrounds, build healthy relationships, and develop wellness practices.

Austin, TX | <https://amalafoundation.org/>

Biomimicry Institute

General Support **\$30,000**

The Biomimicry Institute was founded in 2006 by Janine Benyus and Bryony Schwan to share nature's design lessons with the people who design and make the world. They began by working directly with educators from K-12, university, and non-formal (museums, zoos, aquariums) environments to naturalize biomimicry in the educational system, and ensure the next generation of changemakers had the tools to integrate biomimicry in their careers.

Missoula, MT | <https://biomimicry.org/>

Ecorise

General Support **\$20,000**

EcoRise inspires a new generation of leaders to design a sustainable future for all. Their school-based program empowers youth to tackle real-world challenges in their schools and communities by teaching sustainability, design innovation, and social entrepreneurship.

Austin, TX | <https://ecorise.org/about/>

Global Xploration Education Society

General Support **\$29,000**

Global Xploration Education Society's mission is to pave the way for revolutionary education systems, by bringing to life love-based schools and curriculum around the world. In doing so, children become Conscious Change-Makers who are curious, loving, imaginative beings with the ability to think critically, persevere with grit, and be mindful of themselves and Planet Earth as a whole.

Victoria, BC | <https://www.gxes.org/>

Global Youth Peace Summit - California

General Support \$34,000

The Global Youth Peace Summit is a place for youth to grow in their authenticity, their leadership, their voice, and their connections. To realize the threads that bind us all together as one human species, and to learn how to harness their emotions and passions to bring about change in their lives, their families, and in the world.

Nevada City, CA | <https://www.cagyyps.org/welcome>

Fair Elections

2019 Total Grants: \$97,571

AUDIT-USA

Ballot Image Audit \$35,000

AUDIT-USA's mission is to restore public ownership and oversight of elections, work to ensure the fundamental right of every American citizen to vote, and to have each vote counted as intended in a secure, transparent, impartial, and independently audited election process. AUDIT-USA is working to verify elections through their Ballot Images Project.

National | <https://www.auditelectionsusa.org/>

Black Voters Matter

Georgia Voter Protection Project \$23,000

Black Voters matter Fund advocates for policies to expand voting rights/access, including expanded early voting, resisting voter ID, re-entry restoration of rights and strengthening the Voting Rights Act. They also advocate for policies that intersect with race, gender, economic and other aspects of equity.

East Point, GA | <https://www.blackvotersmatterfund.org/>

Common Cause

Empowering Community-Based Redistricting **\$16,571**

Common Cause knows the ultimate power in a democracy is the people. To be truly of, by, and for the people, government must reflect everyone it serves. They believe democracy is how a free society resolves its differences. The organization seeks to ensure that the process is fair, produces equitable outcomes, and reflects our communities, our values, and our priorities. They work to ensure that every vote counts, that every eligible voter has an equal say, that our elections represent the will of the people, and that our government is of, by, and for the people.

Washington, DC | <https://www.commoncause.org/>

National Election Defense Coalition (fiscal sponsor Psephos)

Bipartisan Alliance to Secure Elections **\$23,000**

The National Election Defense Coalition (NEDC) is building a bipartisan movement of experts in cybersecurity and elections administration, policymakers, and concerned citizens, united across party lines to secure our elections technology. They are educating, mobilizing, and moving the agenda for significant policy reform to protect our elections from electronic fraud and cyberattack.

Davis, CA | <https://www.electiondefense.org/>

Food & Farming

2019 Total Grants: \$192,712

Breakthrough Strategies & Solutions

Soil Carbon Project \$30,000

Breakthrough Strategies & Solutions is a small consulting firm working to advance a more sustainable, equitable and peaceful world. They are entrepreneurial and able to pivot quickly to launch strategic initiatives while sustaining a long-term set of philanthropic clients that do sustained grantmaking to critical organizations.

Takoma Park, MD | <https://www.breakthroughstrategiesandsolutions.com/>

California Climate and Agriculture Network (CalCAN)

National Healthy Soils Policy Network \$25,000

Breakthrough Strategies & Solutions is a small consulting firm working to advance a more sustainable, equitable and peaceful world. They are entrepreneurial and able to pivot quickly to

launch strategic initiatives while sustaining a long-term set of philanthropic clients that do sustained grantmaking to critical organizations. The National Healthy Soils Policy Network is a group of farmer-centered organizations that advocate for state and federal policies on behalf of sustainable, organic, beginning, minority and/or family farmers.

Sacramento, CA | <http://calclimateag.org/>

Center for Food Safety

Hawaiian Project **\$26,174**

Center for Food Safety (CFS) is a national non-profit public interest and environmental advocacy organization working to protect human health and the environment by curbing the use of harmful food production technologies and by promoting organic and other forms of sustainable agriculture. Through legal, policy, research, education and community organizing initiatives, the CFS Hawaii Program works to protect human health and the environment from the harmful impacts of industrial agriculture on the Islands, and promote a vibrant local food system by supporting sustainable farming, soil restoration and seed saving projects.

Honolulu, HI | <https://www.centerforfoodsafety.org/>

Community FARE (Food Agriculture Resources and Education)

Frederick County Maryland Real Food Campaign **\$15,000**

FARE was established to help safeguard a diverse and healthy local food economy that will preserve farmland integrity and biodiversity and ensure that food grown here is accessible to residents of Frederick County and its regional neighbors. The Frederick County Food Council is working to ensure that Frederick County's vibrant agricultural community is a regional model that supports farmers, creates market demand and equitable distribution of fresh, locally grown food that improves the health and resilience of their communities.

Walkersville, MD | <https://l-cpf.org/community-fare/>

Ecdysis Foundation

Blue Dasher Farm Initiative **\$25,769**

Agriculture can be used to solve many of the world's problems, and Ecdysis Foundation will provide the Research and Development that can make innovative practices scalable and transferable to as many operations as possible. Blue Dasher Farm combines cutting edge science with hands on experience to remove barriers to the adoption of regenerative agriculture.

Estelline, SD | <https://www.ecdysis.bio/>

Grand Canyon Trust

Native American Program **\$15,000**

The Grand Canyon Trust works to protect and restore the Colorado Plateau- its spectacular landscapes, flowing rivers, clean air, diversity of plants and animals, and areas of beauty and solitude. The goal of their Native American Program is to protect tribal life ways and indigenous knowledge across the Colorado Plateau.

Flagstaff, AZ | <https://www.grandcanyontrust.org/>

Soul Fire Farm

General Support \$30,000

Soul Fire Farm is a BIPOC-centered community farm committed to ending racism and injustice in the food system. They raise and distribute life-giving food as a means to end food apartheid. They are training the next generation of activist-farmers and strengthening the movements for food sovereignty and community self-determination.

Petersburg, NY | <http://www.soulfirefarm.org/>

The Berry Center

Wendell Berry Farming Program of Sterling College \$25,769

The core of The Berry Center's work is to advocate for farmers, land conserving communities, and healthy regional economies. The Wendell Berry Farming Program of Sterling College is a two-year program in Kentucky, through which students earn a Bachelor of Arts degree in Sustainable

Agriculture from Sterling College. The program seeks to inspire the most comprehensive change in agricultural education since the advent of the land grant universities and one that addresses the failure of higher education to use nature as its measure in preparing the next generation of farmers.

New Castle, KY | <https://berrycenter.org/>

Middle East Peace

2019 Total Grants: \$315,000

Alliance for Middle East Peace

General Support **\$50,000**

ALLMEP is a coalition of over 100 organizations – and tens of thousands of Israelis and Palestinians, Arabs and Jews – building people-to-people cooperation, coexistence, equality, shared society, mutual understanding, and peace among their communities in the Middle East. They seek to add stability in difficult times of crisis, and build an environment for peace over the long term.

Washington, DC | <https://www.allmep.org/>

Combatants for Peace

General Support **\$35,000**

In 2006, Israeli and Palestinian former combatants, people who had taken an active role in the conflict, laid down their weapons and established Combatants for Peace. The egalitarian, bi-national, grassroots organization was founded on the belief that the cycle of violence can only be broken when Israelis and Palestinians join forces. Committed to joint nonviolence since its foundation, CFP

works to both transform and resolve the conflict by ending Israeli occupation and all forms of violence between the two sides and building a peaceful future for both peoples.

International | <https://cfpeace.org/>

Parent's Circle (American Friends of the Parent's Circle Families Forum)

General Support **\$50,000**

The Parents Circle – Families Forum (PCFF) is a joint Israeli-Palestinian organization of over 600 families, all of whom have lost an immediate family member to the ongoing conflict. Moreover, the PCFF has concluded that the process of reconciliation between nations is a prerequisite to achieving a sustainable peace. The organization thus utilizes all resources available in education, public meetings and the media, to spread these ideas.

International | <https://theparentscircle.org/en/pcff-home-page-en/>

PeaceWorks Foundation

Zimam Palestine **\$50,000**

The PeaceWorks Foundation is a charitable organization committed to supporting initiatives that promote educational instruction and conflict resolution in communities worldwide. They invest in programming that strives to promote peace and condemn violence, with a particular emphasis on fostering greater cross-cultural understanding through interactive communication. Zimam is a

pioneering grassroots youth movement. By investing in the leaders of tomorrow, Zimam is building a more democratic, actively engaged and pluralistic society, working across nine governorates in the West Bank, Gaza and East Jerusalem. Zimam's programs empower young people on the one hand and transform public thinking on the other.

International | <http://peaceworksfoundation.org/>

Negotiation Strategies Institute

General Support **\$30,000**

Negotiation Strategies Institute, under academic sponsorship of the Harvard Negotiation Project, works with leaders to enhance the capacity for effective and sophisticated negotiation practice and thinking. NSI partnered with renowned experts and practitioners in the field, and with those who have accomplished groundbreaking achievements in the world's most complex negotiations.

Washington, DC | <https://www.negotiationsi.org/>

Taghyeer (fiscal sponsor Peace Development Fund)

General Support **\$45,000**

The innovative Taghyeer (Change) Palestinian National Nonviolence Movement was founded by Palestinian community leaders with peace activist Ali Abu Awwad. Taghyeer focuses on engaging Palestinian society on a way forward to achieve social change and national goals through

nonviolence. The movement involves all segments of Palestinian society by strengthening and supporting communities and providing independent organizations and activists an umbrella for coordinated action.

San Francisco, CA | <https://www.friendsoftaghyeer.org/>

The Museum of the Palestinian People

General Support \$35,000

The Museum of the Palestinian People is the first museum in Washington D.C. devoted to exploring and celebrating Palestinian history, arts and culture. It started in 2015 as a traveling exhibit, visiting over 50 locations across the country, and has now found a home in the heart of the nation's capital. The museum shares Palestinian stories through historic artifacts, personal narratives and artistic expression to transcend separation, fragmentation, and boundaries.

Washington, DC | <https://mpp-dc.org/>

Women Wage Peace (fiscal sponsor Middle East Peace Dialogue Network Inc.)

General Support \$20,000

Women Wage Peace is a grassroots movement with tens of thousands of members from the right, center and left of the political spectrum, Jews and Arabs, religious and secular, united in the demand for a mutually binding non-violent accord between Israelis and Palestinian.

Israel | <https://womenwagepeace.org.il/en/>

Psychedelic Research, Education & Policy (PREP)

2019 Total Grants: \$174,272.94

CIIS Psychedelic-Assisted Therapies and Research Program

MDMA P1 Crossover Study \$29,896.10

To address the demand for trained psychotherapists to work in the expanding field of psychedelic studies, CIIS created the Center for Psychedelic Therapies and Research (the Center) in 2015. The goal of the Center's certificate program is to teach licensed psychotherapists and medical professionals and ordained clergy to become psychedelic researchers in the US and abroad.

San Francisco, CA |

<https://www.ciis.edu/research-centers/center-for-psychedelic-therapies-and-research>

Drug Policy Alliance

Safer Partying \$23,896.14

The Drug Policy Alliance envisions a just society in which the use and regulation of drugs are grounded in science, compassion, health and human rights, in which people are no longer punished for what they put into their own bodies but only for crimes committed against others, and in which the

fears, prejudices and punitive prohibitions of today are no more. Their Safer Partying Campaign seeks to correctly educate people on drugs, promote public health, and reduce harm around drug usage.

New York, NY | <http://www.drugpolicy.org/>

Heffter Research Institute

General Support/Unspecified Future Research **\$24,896.14**

The Heffter Research Institute promotes research with psychedelics to contribute to a greater understanding of the mind, leading to the improvement of the human condition, and to alleviate suffering. Heffter scientists believe that the unexplored potential of psychedelics requires careful scientific research to find their best uses in medical treatment.

Santa Fe, NM | <https://heffter.org/>

International Center for Ethnobotanical Education Research & Service

General Support **\$26,896.14**

The International Center for Ethnobotanical Education, Research, and Service (ICEERS) is a non-profit organization dedicated to transforming society's relationship with psychoactive plants. They do this by engaging with some of the fundamental issues resulting from the globalization of

ayahuasca, iboga, and other ethnobotanicals. ICEERS envision a future where psychoactive plant practices are valued and integrated parts of society.

Barcelona, Spain | <https://www.iceers.org/>

Ketamine Research Foundation

General Support **\$26,896.14**

The Ketamine Research Foundation seeks to educate people on Ketamine and its practical applications, in addition to providing access to Ketamine therapy for qualified patients. They also train the next generation of Ketamine practitioners, sponsoring twelve programs across the US and Canada.

San Anselmo, CA | <https://www.ketamineresearchfoundation.com/>

MAPS

General Support **\$37,275.00**

Founded in 1986, the Multidisciplinary Association for Psychedelic Studies (MAPS) is a 501(c)(3) non-profit research and educational organization that develops medical, legal, and cultural contexts for people to benefit from the careful uses of psychedelics and marijuana.

Mission Within/Inner Journey LLC.

Spec Ops TBI Therapy **\$19,896.14**

Inner Journey is an integrative TBI (traumatic brain injury) program for Special Operations veterans. They apply well understood entheogenic treatments in a ground-breaking functional medicine approach that provides long lasting transformation for warriors that have not responded to existing treatments. The organization hopes to change the narrative surrounding ibogaine and 5-MeO-DMT and eventually affect legislative change.

Students for Sensible Drug Policy

Just Say KNOW **\$21,896.14**

Students for Sensible Drug Policy is an international grassroots network of students who are concerned about the impact of drug misuse on communities, but who also know that the “War on Drugs” is failing their generation and society. SSDP mobilizes and empowers young people to participate in the political process, pushing for sensible policies to achieve a safer and more just future. Just Say Know is a series of drug education modules aimed at promoting open and honest dialogue around commonly used substances. The program aims to equip young people with harm reduction tools and skills as it relates to the specific substance, but can be applied to substance use generally.

San Anselmo, CA | <https://ssdp.org/>

Thriving Resilient Communities (TRC)

2019 Total Grants: \$100,224

Center for Economic Democracy

Mutual Movement Co-Op **\$69,806**

The Center for Economic Democracy (CED) is a US social movement building organization, growing the capacity of grassroots communities to transform American capitalism into a more just, sustainable and democratic economy. CED engages progressive donors, private sector leaders and government officials to support popular organizing, economic development and cultural activism in our most vulnerable communities.

Boston, MA | <https://www.economicdemocracy.us/>

East Bay Permanent Real Estate Cooperative (fiscal sponsor: SELC)

East Bay Permanent Real Estate Cooperative **\$15,209**

East Bay Permanent Real Estate Cooperative (EB PREC) is a democratic, People of Color led cooperative that takes land and housing off the speculative market to create permanently affordable, community controlled land and housing. They facilitate Black, Indigenous, People of Color and allied communities to cooperatively organize, finance, purchase, occupy, and steward properties, creating community controlled assets, and empowering our communities to cooperatively lead a just

transition from an extractive capitalist system into one where communities are ecologically, emotionally, spiritually, culturally, and economically restorative and regenerative.

Oakland, CA | <https://ebprec.org/>

Thriving Resilient Communities Collaboratory (fiscal sponsor: New Stories)

General Support **\$15,209**

Thriving Resilient Communities Collaboratory (TRCC) is a U.S.-based network of regional and national leaders who use systemic and collaborative approaches to help communities become more thriving and resilient. TRCC enables multi-stakeholder allies across cultural, racial, generational, and sector differences to find common ground amongst their many different and necessary approaches to building local resilience systems.

Spokane, WA | <https://thrivingresilience.org/>

Climate Strategies

2018 Total Grants: \$418,500

Amazon Watch

General Support **\$40,000**

Amazon Watch is a nonprofit organization founded in 1996 to protect the rainforest and advance the rights of indigenous peoples in the Amazon Basin. The organization partners with indigenous and environmental organizations in campaigns for human rights, corporate accountability and the preservation of the Amazon's ecological systems.

Oakland, CA | <https://amazonwatch.org/>

Biofuelwatch

General Support (Global Justice Ecology Project) **\$24,000**

Biofuelwatch is a non-governmental environmental organization based in the United Kingdom and the United States, which works to raise awareness of the negative impacts of industrial biofuels and bioenergy, on biodiversity, human rights, food sovereignty and climate change, human rights abuses, the impoverishment and dispossession of local populations, water and soil degradation, loss of food sovereignty and loss of food security. It opposes the expansion of industrial monocultures

driven by demand for bioenergy, and instead advocates for food sovereignty, agroecological farming practices, ecosystem and biodiversity protection and human rights.

Buffalo, NY | <https://www.biofuelwatch.org.uk/>

California Environmental Justice Alliance Action

Lobbying, Advocacy and Advancement: Progressive Climate Justice Ballot Measures, Voter of Color Engagement, and Technical Communications Initiative **\$25,000**

The California Environmental Justice Alliance is a statewide, community-led alliance that works to achieve environmental justice by advancing policy solutions. They unite the powerful local organizing of members in communities most impacted by environmental hazards – low-income communities and communities of color – to create comprehensive opportunities for change at a statewide level.

Oakland, CA | <https://caleja.org/>

Canopy Planet Society (fiscal sponsor: Tides Foundation)

General Support **\$40,000**

Canopy works with the forest industry's biggest customers and their suppliers to develop business solutions that protect these last frontier forests. They have worked with over 750 of the forest industry's largest customers, from book publishers and printers to leading clothing brands and

fashion designers, to help shape their purchasing practices and create permanent solutions for the world's threatened forests.

Vancouver, BC | <https://canopyplanet.org/>

Center for Health Environment and Justice

General Support **\$30,000**

The Center for Health, Environment & Justice helps build healthy communities nationwide. Since its founding in 1981, CHEJ has grown into the nation's leading resource for grassroots environmental activism, a ground-breaking, progressive organization with a vision for clean, green neighborhoods built from hard-won experience fighting for environmental justice.

Falls Church, VA | <http://chej.org/>

Center for International Environmental Law

Plastics Initiative **\$23,000**

The Center for International Environmental Law (CIEL) is a public interest, not-for-profit environmental law firm founded in 1989 in the United States to strengthen international and comparative environmental law and policy around the world. CIEL's staff of international attorneys provide legal counsel and advocacy, policy research and capacity building in the areas of

biodiversity, chemicals, climate change, human rights and the environment, international financial institutions, law and communities, and trade and sustainable development. With the Plastics Initiative, CIEL works to expose the linkages between the fossil fuel and plastic industries and to advocate for real solutions to the plastics crisis that address the entire lifecycle — from production to waste.

Washington, DC | <https://www.ciel.org/>

Center for Sustainable Economy

Climate Justice Program \$20,000

Center for Sustainable Economy conduct peer-reviewed research on the full range of sustainable development challenges humanity faces, including climate change, deforestation, extinction, inequality and poverty. They also develop innovative solutions such as new measures of progress and new policies to expedite the transition to renewable energy. With the Climate Justice Program, CSE is taking action around the urgent moral imperative of rapidly reducing our collective carbon footprint while ensuring land use is sustainable, with high value carbon sinks, such as old growth forests, bolstered and expanded as rapidly as possible.

West Linn, OR | <https://sustainable-economy.org/>

DECOIN

General Support **\$16,000**

Every year, Ecuador loses another 2.3 percent of its forests - it has the highest deforestation rate in South America. In an effort to reverse the trend with local and regional eco-activism, the grass-roots organization DECOIN was founded in January of 1995.

Ecuador | <https://www.decoin.org/>

Georgia Strait Alliance

General Support **\$30,000**

Since 1990, Georgia Strait Alliance has been an effective voice for communities who care about the waters of Georgia Strait and all the creatures that call it home. Their mission is to protect and restore the marine environment and promote the sustainability of Georgia Strait, its adjoining waters, and communities.

Nanaimo, BC | <https://georgiastrait.org/>

Louisiana Environmental Action Network

Community Empowerment Program \$21,000

The Louisiana Environmental Action Network (LEAN) is a community based not-for-profit organization that has been working since 1986 to resolve the unique environmental struggles present in Louisiana. Through education, empowerment, advocacy, and support; LEAN provides the necessary tools and services to individuals and communities facing environmental problems. Problems that often threaten their health, safety and quality of life.

Baton Rouge, LA | <https://leanweb.org/>

MN350

General Support \$30,000

MN350 unites Minnesotans as part of a global movement to end the pollution damaging the climate, speed the transition to clean energy, and create a just and healthy future for all. They seek to transition from an extractive economy based on fossil fuels and consumption to a sustainable, life-affirming economy with energy from the wind and sun. They work to guarantee that benefits flow first to marginalized communities that are historically excluded from economic gain. They also seek to build sustainable energy, transportation and food systems that protect our health and the health of our communities.

Minneapolis, MN | <https://mn350.org/>

New Alpha Community Development Corporation

General Support **\$22,000**

New Alpha Community Development Corporation works in the areas of the environment, health, and community economic development. The CDC places a particular emphasis on Environomics. Their goals are to develop more participatory democratic empowerment models that improve the lives of lower- and middle-class people and families by building assets and creating wealth for everyday people.

Florence, SC | <https://www.newalphacdc.com/>

New Energy Economy

General Support **\$20,000**

New Energy Economy was founded in 2004 to build a sustainable, carbon and pollution-free energy future for our health and the environment. Their strategy is to build the political power and regulatory/policy framework necessary to shift energy investments from fossil fuel and nuclear based conventional generation to clean alternatives in pursuit of environmental justice and human and environmental health.

Sante Fe, NM | <https://www.newenergyeconomy.org/>

San Juan Citizens Alliance

Climate Action in the San Juan Basin \$20,000

San Juan Citizens Alliance advocates for clean air, pure water, and healthy lands – the foundations of resilient communities, ecosystems and economies in the San Juan Basin. The Alliance helps protect clean air, pure water, and healthy lands in the San Juan Basin through the regional energy, public lands, and rivers programs.

Durango, CO | <https://www.sanjuancitizens.org/>

Stand Environmental Society

General Support \$35,000

Stand.earth challenges corporations and governments to treat people and the environment with respect. They seek to accomplish their goals by adopting outcome-driven strategies, by overcoming adversity, and by maintaining their focus for as long as needed to succeed for people, wild places, and our climate.

San Francisco, CA | <https://www.stand.earth/>

Vote Solar Action Fund

Action Fund Initiative to Build State Level Campaign **\$22,500**

Since 2002, Vote Solar has been working to make solar affordable and accessible to more Americans. They work at the state level all across the country to support the policies and programs needed to repower grids with clean energy.

Oakland, CA | <https://votesolar.org/>

Fair Elections

2018 Total Grants: \$77,000

AUDIT-US

General Support \$20,000

AUDIT-US's mission is to restore public ownership and oversight of elections, work to ensure the fundamental right of every American citizen to vote, and to have each vote counted as intended in a secure, transparent, impartial, and independently audited election process.

National | <https://www.auditelectionsusa.org/>

Florida Rights Restoration Coalition

General Support \$5,000

FRRC is a grassroots, membership organization run by Returning Citizens (Formerly Convicted Persons) who are dedicated to ending the disenfranchisement and discrimination against people with convictions, and creating a more comprehensive and humane reentry system that will enhance successful reentry, reduce recidivism, and increase public safety.

Orlando, FL | <https://floridarrc.com/>

Florida Voters Coalition

Risk-Limiting Post-Election Audits- Seizing the Moment in Florida \$25,000

The Florida Voters Coalition seeks to ensure that all eligible voters are provided an equal opportunity to cast a private and independent ballot, and have all votes on that ballot recorded and counted accurately. Champion the public interest as primary in elections and resist excessive corporate, political and bureaucratic interests that threaten it. Build strong non-partisan alliances with elections officials, scientific, legal and other technical experts, voters, funders and others throughout Florida and beyond to further our mission.

South Miami, FL | <https://movetoamend.org/florida-voters-coalition>

Michigan Voice

Michigan Voice Urban Power Link: Fair Elections Project \$10,000

Michigan Voice is a state based collaboration formed in 2005 to improve long-term coordination and communication among nonprofit civic engagement organizations in Michigan. The collaboration's nonpartisan mission is to engage underrepresented or socially responsible voters in the democratic process and to establish collective action around a common issue agenda.

Michigan | <https://statevoices.org/state-tables/michigan/>

National Election Defense Coalition

General Support **\$7,000**

The NEDC is the only organization building a bipartisan national movement to secure elections technology. They bring together experts in cybersecurity and elections administration, policymakers, NGOs and concerned citizens to build consensus on a comprehensive, cost-effective plan to secure the vote in coming elections.

National | <https://www.electiondefense.org/>

Verified Voting

Verify Our Vote **\$10,000**

VerifiedVoting.org is a non-partisan non-profit organization that advocates for legislation and regulation that promotes accuracy, transparency and verifiability of elections. Their primary concern lies in ensuring that the means for verifying election outcomes are in place and used for that purpose. They also connect those who are making and implementing policy that shapes how we vote to those who understand the particular risks associated with the emerging digital landscape, particularly on-line and electronic voting.

Philadelphia, PA | <https://www.verifiedvoting.org/>

Food and Farming

2018 Total Grants: \$284,000

Accelerating Appalachia

General Support **\$30,000**

Accelerating Appalachia is the world's first nature-based business accelerator, connecting innovative businesses, investors and mentors aligned with people, place and prosperity.

National | <https://www.acceleratingappalachia.org/>

Community Alliance with Family Farmers

Climate Smart Farming Program **\$24,000**

Founded in 1978, the Community Alliance with Family Farmers (CAFF) is a California-based nonprofit that builds sustainable food and farming systems through local and statewide policy advocacy and on-the-ground programs in an effort to initiate institutionalized change. Their programs address current problems and challenges in food and farming systems, creating more resilient family farms, communities and ecosystems. CAFF works to support family farmers and serve community members throughout the state, including consumers, food service directors, schoolchildren and

low-income populations with the aim of growing a more resilient, just and abundant food system for all Californians.

Davis, CA | <https://www.caff.org/>

Farm Hack

General Support **\$10,000**

Farm Hack is a worldwide community of farmers that build and modify their own tools. They share their hacks online and at meet-ups, seeking to become better farmers by working together.

National | <https://farmhack.org/tools>

FoodCorps

Healthy Schools Meals Supply-Side Initiative **\$25,000**

FoodCorps connects kids to healthy food in school, so they can lead healthier lives and reach their full potential. FoodCorps works for a future in which all our nation's children—regardless of class, race, or geography—know what healthy food is, care where it comes from, and eat it every day.

Portland, OR | <https://foodcorps.org/>

Grand Canyon Trust

Native America Program \$40,000

The Grand Canyon Trust seeks to safeguard the wonders of the Grand Canyon and the Colorado Plateau, while supporting the rights of its Native peoples.

Flagstaff, AZ | <https://www.grandcanyontrust.org/>

Savanna Institute

General Support \$25,000

Savanna Institute aims to empower stakeholders to support, adopt, and enhance resilient and diverse agroforestry practices. education. The Institute leads the charge in advocating for and supporting agroforestry efforts in the Midwestern United States. Formed in 2013, the Institute works to develop agricultural systems that mimic an exceptionally productive ecosystem once common throughout the corn belts and bread baskets of the world: the savanna.

Flagstaff, AZ | <https://www.grandcanyontrust.org/>

Socially Responsible Agricultural Project

Factory Farm Focused Coalition Building for Change \$35,000

Socially Responsible Agricultural Project (SRAP) works to help communities across the U.S. replace industrial livestock production with ecologically sound, socially equitable, and economically viable animal agriculture.

Golden, CO | <https://sraproject.org/about/>

Soul Fire Farm Institute, Inc.

General Support \$30,000

Soul Fire Farm is a BIPOC-centered community farm committed to ending racism and injustice in the food system. They are training the next generation of activist-farmers and strengthening the movements for food sovereignty and community self-determination.

Petersburg, NY | <http://www.soulfirefarm.org/>

Women, Food and Agriculture Network

General Support **\$35,000**

Women, Food and Agriculture Network (WFAN) aims to engage women in building an ecological and just food and agricultural system through individual and community power. WFAN exists so that women can give each other the information, connections, and encouragement they need to be effective practitioners and supporters of sustainable agriculture and healthy localized food systems.

Ames, IA | <https://wfan.org/>

Ecdysis Foundation

General Support **\$30,000**

Ecdysis Foundation's mission is to create a network of centers for excellence in regenerative farming practices that will transform food production from the bottom up. This initiative will confront national problems by rebuilding soil health, increasing biodiversity, and profitably producing nutrient dense foods. Community-driven science, education, and demonstration will be key to changing farming behaviors.

Estelline, SD | <https://www.ecdysis.bio/>

High Impact Documentaries

2018 Total Grants: \$203,500

Midnight Traveler

\$40,000

Midnight Traveler follows director Hassan Fazili, his filmmaker wife, and their young daughters while they trek across Iran, Turkey, Bulgaria, and Serbia. As they endure smugglers, gangs, and refugee camps, the camera witnesses not only the danger and desperation but also the exuberance and tenderness of this irresistible, loving family. For Fazili, framing their story becomes an assertion of control, humanity, and self-expression in a situation where none exists.

<https://www.sundance.org/projects/midnight-traveler>

Becoming Bulletproof

\$25,000

Featuring actors, with and without disabilities, who meet every year at Zeno Mountain Farm to write, produce, and star in original short films.

<https://www.becomingbulletproofmovie.com/>

Dark Money

\$40,000

Dark Money, a political thriller, examines one of the greatest present threats to American democracy: the influence of untraceable corporate money on our elections and elected officials. The film takes viewers to Montana to follow an intrepid local journalist working to expose the real-life impacts of the US Supreme Court's Citizens United decision. *Dark Money* uncovers the shocking and vital truth of how American elections are bought and sold.

<https://www.darkmoneyfilm.com>

Gather

\$3,500 (match with Food & Farming funding circle)

Gather is a story-telling project focusing on Native American food sovereignty. The project is centered on a feature-length film directed by Sanjay Rawal and produced by Tanya Meillier and Sterlin Harjo. Renan Ozturk is the Director of Photography.

<http://gather.film/>

Knock Down the House

\$25,000 (\$15,000 + \$5,000 from Kim Lund + \$5,000 from Ariane Van Buren)

Knock Down the House is a 2019 American documentary film directed by Rachel Lears. It revolves around the primary campaigns of Alexandria Ocasio-Cortez, Amy Vilela, Cori Bush and Paula Jean Swearengin, four progressive Democrats endorsed by Justice Democrats and Brand New Congress who ran for Congress in the 2018 midterm elections.

<https://knockdownthehouse.com/>

Roll Red Roll

\$50,000

Roll Red Roll is a true-crime thriller and impact campaign that goes behind the headlines of the notorious Steubenville, Ohio rape case to uncover the deep-seated and social media-fueled “boys will be boys” culture at the root of high school sexual assault in America.

<https://rollredrollfilm.com/>

Public Square Films

\$20,000

BLURB

Middle East Peace

2018 Total Grants: \$274,000

Achvat Amim

General Support \$7,500

“Achvat Amim,” which means “solidarity of nations” in Hebrew, is a 5-month volunteer experience in Jerusalem that directly engages with the reality of the Israeli-Palestinian conflict, based on the core value of self-determination for all peoples.

Jerusalem | <https://www.achvatamim.org/>

Combatants for Peace

General Support \$35,000

Combatants for Peace works towards building an ever-expanding Palestinian-Israeli joint activist community based upon their bi-national regional groups that embody their vision and serve as a model for both societies and their future, motivating broad and effective bi-national, non-violent activity promoting freedom and security for both peoples in their homeland, and also changing attitudes on a wide scale, both within the Israeli and Palestinian public, as well as with governmental decision makers.

International | <https://cfpeace.org/>

Encounter

General Support **\$30,000**

Encounter is a nonpartisan educational organization cultivating more informed and constructive Jewish leadership on the Israeli-Palestinian conflict. They seek to enable deeply committed Jewish influencers to encounter firsthand the people, perspectives and challenges at the heart of the conflict.

New York, NY | <http://www.encounterprograms.org/>

Holy Land Trust

General Support **\$25,000**

Through a commitment to the principles of nonviolence, Holy Land Trust seeks to develop spiritual, pragmatic, and strategic approaches that will empower the Palestinian community to resist all forms of oppression, and engage this same community in making the Holy Land be what it is supposed to be: a global model and pillar of understanding, respect, justice, equality and peaceful coexistence.

Bethlehem Old City, Palestine | <https://holylandtrust.org/>

Just Vision

Renewal \$20,000

Just Vision is a non-partisan and religiously unaffiliated nonprofit organization that utilizes storytelling, media and public engagement campaigns to highlight Palestinian and Israeli grassroots leaders working to end the occupation and build a future of freedom, dignity and equality for all.

Washington, DC | <https://www.justvision.org/>

Karama Center for Palestinian Nonviolence

Renewal \$15,000

Just Vision is a non-partisan and religiously unaffiliated nonprofit organization that utilizes storytelling, media and public engagement campaigns to highlight Palestinian and Israeli grassroots leaders working to end the occupation and build a future of freedom, dignity and equality for all. The Karama Centre is a unique place of dialogue and peace at the heart of the West Bank. In the unlikelyst of locations, Palestinians and Israelis from throughout the region and the world choose non-violence to meet each other as human beings and create together a different future. To date, the Centre has welcomed over thousands of local and international visitors.

West Bank | <https://www.b8ofhope.org/services/>

Middle East Entrepreneurs of Tomorrow

Borderless Hub, MEETx \$30,000

Middle East Entrepreneurs of Tomorrow, formerly known as Middle East Education Through Technology, is an innovative program that brings together Palestinian and Israeli young leaders through the common language of technology and entrepreneurship.

USA/Jerusalem | <https://meet.mit.edu/>

Roots-Shorashim-Judur

Roots Adult Engagement/Outreach Project \$11,500

Roots is a unique network of Palestinians and Israelis who have come to see each other as partners needed to make changes to end their conflict. Based on a mutual recognition of each People's connection to the Land, they are developing understanding and solidarity despite their ideological differences. Their work is aimed at challenging the assumptions the communities hold about each other, building trust and creating a new discourse around the conflict in the respective societies.

Encino, CA | <https://www.friendsofroots.net/>

Shades Negotiation Program

General Support \$25,000

The Shades Negotiation Program works to ensure emerging Middle Eastern leaders have skills for negotiation, problem solving, collaboration and coalition building. The program is an initiative to

provide a unique educational experience for mid-career leaders from both Israeli and Palestinian communities that focuses on building negotiation and leadership skills.

Washington, DC |

Taghyeer

General Support **\$45,000**

The innovative Taghyeer (Change) Palestinian National Nonviolence Movement was founded by Palestinian community leaders with peace activist Ali Abu Awwad. Taghyeer focuses on engaging Palestinian society on a way forward to achieve social change and national goals through nonviolence. The movement involves all segments of Palestinian society by strengthening and supporting communities and providing independent organizations and activists an umbrella for coordinated action.

San Francisco, CA | <https://www.friendsoftaghyeer.org/>

Women Wage Peace

General Support **\$30,000**

Women Wage Peace is an Israeli grassroots peace movement, formed shortly after the Gaza War in 2014. Its primary goal is to pressure the Israeli government into achieving a "bilaterally acceptable political agreement" to end the Israeli-Palestinian conflict.

Psychedelic Research, Education, and Policy (PREP)

2018 Total Grants: \$168,000

Center for Psychedelic Therapies & Research California Institute of Integral Studies (CIIS)

Center for Psychedelic Therapies & Research \$23,000

To address the demand for trained psychotherapists to work in the expanding field of psychedelic studies, CIIS created the Center for Psychedelic Therapy and Research (the Center) in 2015. As part of a public service campaign to teach a variety of topics related to psychedelic research, the Center offers a series of evening lectures, weekend workshops, webinars, and films shown at CIIS and online. The goal of the Center's certificate program is to teach licensed psychotherapists and medical professionals and ordained clergy to become psychedelic researchers in the US and abroad.

San Francisco, CA |

<https://www.ciis.edu/research-centers/center-for-psychedelic-therapies-and-research>

Chacruna

General Support **\$10,000**

Chacruna provides public education and cultural understanding about psychedelic plant medicines and promotes a bridge between the ceremonial use of sacred plants and psychedelic science. They envision a world where plant medicines and other psychedelics are preserved, protected, and valued as part of our cultural identity and integrated into social, legal and health care systems.

San Francisco, CA | <https://chacruna.net/>

Drug Policy Alliance

Psychedelics Education for Young People **\$18,000**

The Drug Policy Alliance envisions a just society in which the use and regulation of drugs are grounded in science, compassion, health and human rights, in which people are no longer punished for what they put into their own bodies but only for crimes committed against others, and in which the fears, prejudices and punitive prohibitions of today are no more. Their mission is to advance those policies and attitudes that best reduce the harms of both drug use and drug prohibition, and to promote the sovereignty of individuals over their minds and bodies.

New York, NY | <http://www.drugpolicy.org/>

Heffter Research Institute

Psilocybin Research for Addiction Treatment **\$11,000**

The Heffter Research Institute promotes research of the highest scientific quality with the classic hallucinogens and related compounds (sometimes called psychedelics) in order to contribute to a greater understanding of the mind leading to the improvement of the human condition, and to alleviate suffering.

Sante Fe, NM | <https://heffter.org/>

Indigenous Peyote Conservation Initiative

General Support **\$21,000**

The Riverstyx Foundation, through the Indigenous Peyote Conservation Initiative, works to support indigenous peoples through the preservation of sacred plant medicines, which have been used for thousands of years in healing ceremonies, and have the potential to address trauma, addiction, and the reconnection to native spirituality and culture. They aim to support sustainable access to these medicines, as well as empowering native communities, and the traditions which surround them, to ensure that these sacred plants and ceremonies can bring healing for generations to come.

Santa Cruz, CA | <https://www.riverstyxfoundation.org/indigenous>

International Center for Ethnobotanical Education, Research, and Service

General Support **\$22,000**

The International Center for Ethnobotanical Education, Research, and Service (ICEERS) is a non-profit organization dedicated to transforming society's relationship with psychoactive plants. We do this by engaging with some of the fundamental issues resulting from the globalization of ayahuasca, iboga, and other ethnobotanicals.

Barcelona, Spain | <https://www.iceers.org/>

Multidisciplinary Association for Psychedelic Studies (MAPS)

General Support **\$23,000**

Founded in 1986, the Multidisciplinary Association for Psychedelic Studies (MAPS) is a 501(c)(3) non-profit research and educational organization that develops medical, legal, and cultural contexts for people to benefit from the careful uses of psychedelics and marijuana.

Santa Cruz, CA | <https://maps.org/>

Project CBD

General Support **\$17,000**

Project CBD is a California-based nonprofit dedicated to promoting and publicizing research into the medical uses of cannabidiol (CBD) and other components of the cannabis plant. They provide educational services for physicians, patients, industry professionals, and the general public.

California | <https://www.projectcbd.org/>

Usona Institute

Clinical Search Program: Psilocybin as a Treatment for MDD **\$13,000**

Usona Institute is a 501(c)(3) non-profit medical research organization dedicated to supporting and conducting pre-clinical and clinical research to further the understanding of the therapeutic effects of psilocybin and other consciousness-expanding medicines. Their focus is on alleviating depression in people for whom current medical treatments fall short in offering relief and a better quality of life.

Madison, WI | <https://www.usonainstitute.org/>

Women's Visionary Congress

General Support **\$10,000**

The Women's Visionary Council (WVC) is a U.S.-based 501(c)(3) nonprofit educational organization. The WVC presents discussions, workshops, and events which are open to people of all genders.

They seek to expand the inclusion of women in critical discussions about mental health and community wellness.

Berkeley, CA | <https://www.visionarycongress.org/>

Thriving Resilient Communities (TRC)

Allied Media Project, a project of Emergent Strategy Ideation Institute

Detroit Equitable Infrastructure Convening \$12,000

The Emergent Strategy Ideation Institute (ESII) is a hub to experiment, think, facilitate, learn and share emergent strategy. ESII exists to help groups, organizations and movements bring/increase the principles of emergent strategy into their work through facilitation and training. They are a collective of facilitators, mediators, coaches and trainers interested in this specific approach.

Detroit, MI | <https://www.alliedmedia.org/esii>

Commonwealth Foundation, a project of the Center for Economic Democracy

General Support for Greater Boston Community Land Trust Network \$14,187

The Commonwealth Foundation's vision is that Pennsylvania once again writes a new chapter in America's story by ensuring all people have equal opportunity to pursue their dreams and earn success. Their mission is to transform free-market ideas into public policies so all Pennsylvanians can flourish.

Harrisburg, PA | <https://www.commonwealthfoundation.org/>

Daily Acts

Building Resilience After the Fires **\$12,000**

Daily Acts is a sustainability non-profit that inspires action to create more nourishing, connected, and resilient communities. Grounded in the core belief that every choice you make matters, they take a heart-centered approach to personal and community transformation. Their education programs, action campaigns, and strategic alliances connect people to each other and to their own power to grow food, conserve resources and build local resilience.

Petaluma, CA | <https://dailyacts.org/>

Empowerment Works, a project of ChangeMakers

Launch ChangeMakers Tour **\$8,344**

Changemakers is an Ashoka program that uses the power of open challenges and social innovation knowledge - coupled with Ashoka's network of social entrepreneurs and impact partners - to connect high-potential changemakers in order to accelerate the rate of change for critical social issues.

Arlington, VA | | <https://www.empowermentinstitute.net/index.php/personal/empowerment-worksho>

NEST Inc, a project of Desert Harvesters

Neighborhood Native Foods Forester Program

\$8,344

Desert Harvesters is a non-profit, grassroots effort based in Tucson, Arizona, USA. They strive to promote, celebrate, and enhance local food and water security by encouraging the planting of rain along with indigenous, food-bearing perennial plants (such as the velvet mesquite or Prosopis velutina, foothills palo verde, & desert ironwood trees, prickly pear cactus, saguaro cactus, barrel cactus) where people live, work, and play.

Tucson, AR | | <http://www.desertharvesters.org/>

New Economy Coalition, a project of New Economy Coalition Media Project

Frontline Grantmaking Program

\$12,000

The New Economy Coalition (NEC) is a network of organizations imagining and building a future where people, communities, and ecosystems thrive. Together, they are creating deep change in our economy and politics—placing power in the hands of people and uprooting legacies of harm—so that a fundamentally new system can take root.

Cambridge, MA | <https://neweconomy.net/>

New England Grassroots Environment Fund

General Support (including Rootskills Training) \$8,344

Focused on all things local, the Grassroots Fund is the only organization of its kind dedicated to inspire, connect, and support community-based environmental projects throughout New England. Grassroots Fund's niche is to help those on-the-ground, everyday people for whom grassroots work is a passion and whose volunteer time is a priceless contribution to the common good.

Newmarket, NH | <https://grassrootsfund.org/>

NorCal Resilience Network

General Support (including Resilient Homes & Hubs Project) \$12,000

The mission of the NorCal Resilience Network is to catalyze a Just Transition to an equitable and regenerative region by supporting and activating community-based and ecological solutions in Northern California. Their regional network increases capacity for grassroots projects and programs, helps to build out model sites for permaculture and resilience; and builds solidarity across divides of race, class, sector and region with organizations, businesses and leaders committed to growing thriving, resilient communities through collaboration and collective impact.

Oakland, CA | <https://www.norcalresilience.org/>

Planetnetwork, a project of Bloom Network

General Support for Regenerative Culture Collaboration

\$8,344

Planetnetwork is a San Francisco based network using information technology to address the pressing issues of our time - climate change, loss of biodiversity, social & economic justice, and true democracy.

San Francisco, CA | <https://www.planetwork.net/>

Social Good Fund, a project of Permaculture Action Network

General Support (including BioRegional Crews)

\$12,000

SocialGood works to create and establish positive influences for individuals, communities, and the environment. Their goal is to sponsor and develop projects that will help positively impact and develop local communities into healthier and happier places to live, work, and be.

Richmond, CA | <https://www.socialgoodfund.org/>

Sustainable Economies Law Center

Nonprofit Democracy Network **\$18,093**

Sustainable Economies Law Center cultivates a new legal landscape that supports community resilience and grassroots economic empowerment. They provide essential legal tools - education, research, advice, and advocacy - so communities everywhere can develop their own sustainable sources of food, housing, energy, jobs, and other vital aspects of a thriving community.

Oakland, CA | <https://www.theseic.org>

Shareable (fiscal sponsor: Tides)

From Stories to Action: Disaster Collectivism **\$12,000**

Shareable is an award-winning nonprofit news, action and connection hub for the sharing transformation. It is a movement emerging from the grassroots up to solve today's biggest challenges, which old, top-down institutions are failing to address.

Mountain View, CA | <https://www.shareable.net/>

Transition US

Bridging Social Justice and Community Resilience **\$8,344**

Transition US is a nonprofit organization that provides inspiration, encouragement, support, networking, and training for Transition Initiatives across the United States. The Transition Movement

is a vibrant, grassroots movement that seeks to build community resilience in the face of such challenges as peak oil, climate change and the economic crisis.

Sebastopol, CA | <https://www.transitionus.org/>
